

Are you a Pediatrician in Williams Lake, Port Hardy, Fort St. John, or a similar rural community?

Are you an Urban Pediatrician interested in supporting rural pediatric care?

Then you need to know about

SPRuCe

Sustainable Pediatric Rural Care

Sustainable Pediatric Rural Care (SPRuCe) is a new network developed by pediatricians Dr. Kirsten Miller and Dr. Jenny Retallack with the support of the Rural Coordination Centre of BC. The goal of this network is to connect pediatric providers (pediatricians, family physicians, residents, and nurse practitioners) who have an interest in supporting and sustaining excellence in pediatric care in rural and remote communities across British Columbia.

SPRuCe has started a 4 part MOC accredited virtual CME series.

**THE SECOND (VIRTUAL) SPRuCe CME
SESSION: THURSDAY JANUARY 21st,
7:30-9pm**

[Full Program](#)

[Register here](#)

This program was co-developed between Rural Coordination Centre of BC and BC Pediatric Society and was planned to achieve scientific integrity, objectivity and balance.

This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada, and has been approved by UBC CPD for up to 1.5 MOC Section 1 Group Learning credits for each of the 4 sessions.

Mainpro+ participants are eligible to claim Royal College of Physicians and Surgeons of Canada Maintenance of Certification Accredited Section 1 activity credits (maximum 50 credits per cycle) for Group Learning Certified Activities.
