PEDIATRICIAN OPPORTUNITIES

NELSON

Come share in the pediatric service provided to the Nelson area. This hospital based practice comes with a fully equipped office and is supported by two full time, hospital based obstetricians and a collaborative midwifery program. Kootenay Lake Hospital is a 30 bed hospital with an active integrated Maternal/child health program. On-call hours are funded and there is an additional opportunity to share in providing outreach service in the West Kootenay area.

WILLIAMS LAKE

Experience a fulfilling lifestyle in a full-time pediatric practice in Williams Lake! Enjoy an expanding practice while supporting the hospital which is set for major renovations. Currently, Cariboo Memorial Hospital is a 31-bed hospital offering emergency, ICU, 24-hour general surgery and obstetrical coverage, full-time radiology, and a pediatric specialist. Practice is possible in the Child Development Center along side therapists for autism, infant and child developmental, and physiotherapy.
