

Two Part Journal Dinner Series

Increasing Vaccine Uptake

Parental Acceptance and the Paediatricians' and Primary Care Physicians' Influence

April 4 & 11, 2019

Dinner 6:00 pm | Presentation 6:30 pm

Dinner: 6:00 pm

Room D306

BCCH Campus

Presentation: 6:30 pm

Room D308

BCCH Campus

Attendance at both sessions is strongly recommended as Session Two of this series builds on the content provided in Session One. We recognize that some participants may be able to attend only one session therefore registration for one session is an option if you are unable to attend both.

Part 1 April 4:

YOU MAY CLAIM A MAXIMUM OF 2.5 CPD HOURS

EVERYTHING YOU WANTED TO KNOW ABOUT VACCINES BUT WERE AFRAID TO ASK!

Plan to attend if you want:

- to know what works best to introduce the topic of vaccines with parents and children in a limited time
- practical tips for talking to parents/patients about vaccines
- to know the latest evidence about vaccines and vaccine preventable diseases in BC
- to be up to date with vaccine research in BC

Part 2 April 11:

YOU MAY CLAIM A MAXIMUM OF 2.5 CPD HOURS

ARE YOU UP TO DATE?

Plan to attend if you want:

- to be more confident in your role in discussing vaccination
- the latest on adverse events following immunization reporting
- tips on talking to vaccine hesitant parents and children
- to know the interface between public health, paediatrician, primary care, and pharmacists in protecting children from vaccine preventable diseases

PART 1: APRIL 4 SESSION
